<sup>1</sup> Financial institutions include credit unions, accounts of banks not held as fiduciaries, insurance companies, and other financial organizations.

<sup>2</sup> Other institutional investors include state and local governments, funds holding mutual fund shares, and other institutional accounts not classified.

<sup>p</sup> Data are preliminary.

Note: Institutional funds are sold primarily to institutional investors or institutional accounts. This includes accounts that are purchased by an institution, such as a business, financial, or nonprofit organization. Retail funds are sold primarily to individual investors and include variable annuity mutual funds. Data for funds that invest in other mutual funds were excluded from the series. Components may not add to the total because of rounding.
